In addition to intensive small class instruction, all students will be part of a fun, vibrant and close-knit community that will explore Vancouver Island and British Columbia. Off-campus excursions will further develop students' English language skills.

The QMS Prep Program is a one-year program designed to prepare mission appropriate students in Grades 7–10 with full-time English Language needs for entry into mainstream academic courses at Queen Margaret's School for the following year.

Students are provided with opportunities to develop their academic reading, writing, speaking and listening skills. Additionally, students will develop subject-specific vocabulary to assist with comprehension while learning to adapt to Canadian culture and curriculum before enrolling in the mainstream academic program.

Upon completion of the year, students will be awarded a certificate of completion; however, school credits will not be provided as this is a skill-based learning year. Students who have successfully achieved the required level of English will take their place at Queen Margaret's School the following academic year.

Advantages of The QMS Prep Program

- The ability to communicate in a new language
- Increased problem-solving abilities
- Greater comprehension of how the English Language works and is used
- Improved listening, reading, speaking and writing skills
- Cultural immersion
- Prepares students for the academic program at QMS
- Small class size of 14 students
- Social integration and confidence building
- English Language immersion

All QMS Prep Program students will reside on QMS's spacious 27-acre campus in our boarding residence where students live and study together in a secure and supportive environment. This is where life-long friendships are ignited with peers from around the world.
