Seventeen year old Ali Zain, is an enthusiastic, intelligent and dedicated young man who lives in Karachi, Pakistan. He has been selected to attend Horizons al-Ummah, a summer camp in Vancouver, Canada. However, Ali requires funds to attend this camp. Your contribution, regardless of the amount, can help this young man achieve his dream!

The education he will receive in this camp will transform his life.

Horizons al-Ummah is a sixteen-day residential program held at Queen Margaret's School, Duncan, British Columbia. The program is for Ismaili youth aged 15 to 17 years from across Canada and the global Jamat.
