

Queen Margaret's School SUMMER SEMESTER 2010

ENGLISH 10, ENGLISH 11 and PLANNING 10 (optional)

Queen Margaret's School is pleased to offer English 10 and English 11 this summer with the additional option of Planning 10. Courses will begin on Monday, July 5th and end on Friday, August 6th, 2010. Classes are four hours in length each day.

Summer English courses are taught by experienced, committed teachers in small classes; an environment where students receive individualized instruction and attention. Qualified students will be accepted after permission from their current school has been obtained, and their suitability for the program has been properly assessed.

Planning 10 is a self study program with teacher support and is required for graduation from high school in BC. It is best suited for QMS students who began studies in Grade 11 and for Grade 12 International students. This course will be enrollment dependant.
