Ride with us in Canada!

Ride for Team QMS

Nestled in the heart of Vancouver Island's warm lands, Queen Margaret's School offers Canada's only on-campus High Performance Equestrian Program. As part of our new Marquee Program, QMS competitive riders are fully supported as they balance riding and academics, athletics, the arts, service and leadership opportunities.

- Full training program with lessons up to five (5) days per week, regular training rides for horses and optional practice rides
- Top level coaching in hunters, jumpers and equitation with Equestrian Canada Certified Coaches
- Opportunities to compete with Team QMS at a local, regional and national level
- Academic support and online tutoring for horse shows
- Renowned clinicians throughout the year, focusing on skill development and mental performance
- Ten or twelve month equestrian program options for Team QMS riders

Equine Facilitated Leadership and Wellness

Queen Margaret's School is proud to offer North America's only on-campus Equine Facilitated Leadership Development and Equine Facilitated Wellness programs. These signature programs are part of our core educational programming for students in Kindergarten-Grade 12.

With horses as their co-teachers, students hone character and leadership skills such as emotional intelligence, resilience, curiosity, innovative thinking, clear communication, presence and self-awareness.

High Performance Foundations Program

As part of our competitive riding pathways, Team QMS riders participate in our High Performance Foundations Program. We believe high performance is a way of life and support our athletes in building a strong, well-rounded foundation in the following areas:

- Mental and Emotional Performance
- Tactical Skill Building
- Functional Strength & Conditioning
- Nutrition
- Power of Daily Practice
