

VOLUNTEER OPPORTUNITIES

Queen Margaret's School would not be successful without the countless volunteers that support our school every year. We welcome our QMS families to share their time and talent with our school community. Our school's motto is "*Servite Fortiter*" (*Serve Ye Bravely*); parents are excellent role models for our students, serving our QMS community.

Queen Margaret's School will work with you to find a volunteer opportunity that aligns with your values and expertise. Volunteering with QMS is a great way to get to know our staff and parents while deeply connecting with our community. For more information, contact us at volunteer@qms.bc.ca. Thank you for your commitment to QMS.

Below is a list of current volunteer opportunities for the 2022-2023 school year, please identify which opportunities you are interested in supporting.
