## ABOUT THE AWARD:

The QMS House Scholarship Fund was created for students who represent a commitment to our House values. Our QMS Founders, Miss Norah Denny and Miss Rachel Geoghegan wanted to provide a solid education for anyone willing to come to their school. Their aim was to teach those young people service integrity, pride and faith, both in themselves and the School.

**The St. Hugh's House Scholarship Fund** was created for students who represent a commitment to a life of service to others. St. Hugh's House Scholarship recipients will represent well-roundedness and demonstrate a strong academic average and success in the arts, sports, community service and/or leadership. The purpose of this fund is to support local students who represent these characteristics, preferably living on Vancouver Island (or residing within BC), in attending Queen Margaret's School.

**The St. Gabriel's House Scholarship Fund** was shaped for students who actively find purity, perfection and beauty in all pursuits. St. Gabriel's House Scholarship recipients will represent well-roundedness and demonstrate a strong academic average and success in the arts, sports, community service and/or leadership. The purpose of this fund is to support local students who represent these characteristics, preferably living on Vancouver Island (or residing within BC), in attending Queen Margaret's School.

**The St. Michael's House Scholarship Fund** was originally established to represent students who exhibit the "fighting for right" and who face life with courage. St. Michael's House Scholarship recipients will represent well-roundedness and demonstrate a strong academic average and success in the arts, sports, community service and/or leadership. The purpose of this fund is to support local students who represent these characteristics, preferably living on Vancouver Island (or residing within BC), in attending Queen Margaret's School.

These scholarships will be a special honour bestowed on students who exemplify the School's Vision to be a confident leader of character and compassion, empowered to create a more just and connected world. This award is a one-time award and must be applied for each year.

QMS House Scholarships are open to students in **Grades 4 through 12** and will be awarded annually to one or more students who would benefit from the opportunities offered at Queen Margaret's School but require financial assistance to do so.
