

DIGITAL CITIZENSHIP

Profile of a QMS Graduate

I Can...
easily transfer files
between my hand-held
device and other
devices.

I Can...
efficiently gather and
organize information
from multiple sources.

I Can...
monitor my digital
technology use and
have a positive digital
presence.

I Can...
properly give credit in
more than one format
to the sources I utilize.

I Can...
use digital tools to
better support and
time-manage a project
or task.

I Can...
creatively problem-solve
using digital programs
and tools.

I Can...
keep my device secure,
software current, and
change passwords
often.

I Can...
organize my files with
purpose using appropriate
names and folders.

I Can...
identify methods and
examples of mis and
disinformation, and
deepfakes.

I Can...
identify and interpret the
purpose of various media
samples.

I Can...
express myself using a
variety of digital media,
ethically and honestly.

I Can...
identify privacy concerns
with Internet connected
devices and applications.
