Please submit a copy of the parent's Canadian Permanent Resident/Landed Immigrant documentation with the application.

INTERNATIONAL STUDENTS WILL REQUIRE THE FOLLOWING, PRIOR TO ARRIVING AT QMS:

Study Permit – All International students must obtain a study permit, valid for the academic year. Once the student has received their copy, it must be emailed to admissions@qms.bc.ca prior to arrival on campus. **Without a valid study permit, students will not be eligible for school.**

International Student Guardianship Canada – Citizenship and Immigration Canada requires foreign students, studying in Canada, to have a legal guardian who is a Canadian citizen; or hold a PR card and/or work permit, and/or study permit, if they are under the age of majority (18 years old).

Through the Guardianship program, temporary custody of our international students, is given to a local ISGC guardian. The dedicated ISGC guardian will remain in communication with students and parents as well as housemasters and school staff throughout the year and are available to assist anytime. The ISGC representative will help the student with emergencies, communications, and translations between the family and the school; actively engaging in the overall success of each student in their care.

Families who choose not to use ISGC's services, will be required to appoint their own local Guardian/Custodian and must be approved by the School. Families will also be required to submit a [notarized Custody Declaration](#).

BC Medical Plan: All International Day students will be responsible for enrolling into BC's Medical Services Plan (MSP), in the interim, students will be required to purchase Private Insurance until MSP is available: <https://www2.gov.bc.ca/gov/content/health/accessing-health-care/health-fee-international-students>
