Please visit the [Affordable Child Care Benefit website](#) for more information and how to apply.

SIBLING DISCOUNT FOR ECE STUDENTS:

- Students enrolled in our Early Childhood Education Program are **not eligible** for a sibling discount.
- Families with more than one child enrolled in kindergarten to grade 12, are eligible to receive a 20% sibling discount on each of the younger children's tuition fees.

The Brigance screening test is widely used by schools for students going into kindergarten and covers a variety of school-based curriculum topics, including language development and gross motor skills. This process considers each child's social, emotional, and cognitive development in order to ensure your child is set up for success in our enriched Kindergarten program. If accepted, the Admissions Department will send the applicant an Acceptance Letter and Registration Contract. The applicant's enrolment will be confirmed with the return of a **non-refundable deposit**, and a **signed Registration Contract; which will be due two weeks after the acceptance has been sent.**
